RE: MTC TIP Amendment 2007-14

Dear Mr. Aljabiry:

I am writing to notify you of changes the Metropolitan Transportation Commission (MTC) recently made to the 2007 Transportation Improvement Program (TIP) with Amendment 07-14 which was approved by the Commission at its meeting held on September 26, 2007.

Amendment 07-14 updates the project listing and funding for 66 projects with a net funding change of over \$270 million. The amendment adds \$40.2 million to the Fifth Street Bridge retrofit project in Oakland, \$336 million to three (3) Caltrans SHOPP projects, removes \$170 million in local funds from a VTA rehabilitation project programmed in error and makes other major revisions to projects throughout the region.

These revision do not change the air quality conformity or conflict with the financial constraint requirements of the TIP. The revised TIP entries have been emailed to your staff and have been posted at MTC's TIP website at:

<http://www.mtc.ca.gov/funding/tip/amendments.htm>

I have enclosed MTC Resolution No. 3755, Revised, MTC's approval of TIP Amendment No. 07-14, for your information. The Certificate of Clearance under Intergovernmental will be forward to you as soon as it is issued.

The amendment will also be uploaded into CTIPS very shortly. If you have any questions regarding this amendment, please contact Raymond Odunlami of my staff at (510) 817-5799.

Sincerely,

Therese W. McMillan  
Deputy Executive Director, Policy

### ABSTRACT

#### Resolution No. 3755, Revised

This resolution adopts the 2007 Transportation Improvement Program (TIP).

Amendment 07-01 was a minor change amendment approved by MTC's Executive Director on November 30, 2006. It made revisions to project funding and phase for several projects throughout the regions.

Amendment 07-02 is a major amendment referred by Programming & Allocations Committee on November 8, 2006. The amendment moved funds currently programmed in the prior year into the current year for the Union City Intermodal Station and the State Route 152/SR-156 Interchange Improvement project in Santa Clara County in order to allow federal fund obligation.

Amendment 07-03 is a minor change amendment that revised the funding for several projects for financial constraint purposes, moving funds previously programmed in fiscal year 2006-07 to fiscal year 2005-06 to reflect fund obligation advances made during the last fiscal year. The amendment also updated the total project costs and made other minor scope changes for projects throughout the region.

Amendment 07-04 is a major amendment referred by Programming & Allocations Committee on December 13, 2006. It adds several new projects funded through the Lifeline program including Job Access Reverse Commute (JARC) and Congestion Mitigation and Air Quality Improvement (CMAQ) funds and local matching funds, and Regional Bicycle and Pedestrian Program funds. The Amendment adds \$261 million in future funds to the US 101 at State Route 25 Interchange and Widening project in Santa Clara County to reflect the total project cost estimates as required by federal regulations. It also updates the Railroad Crossing lump sum project listing reflecting the addition of fiscal year 2006-07 and 2007-08 state-approved projects, adds new local streets and roads projects in San Mateo County and makes other funding and schedule revisions to projects throughout the region.

Further discussion of the programming is contained in the "Executive Director" memorandum dated July 12, 2006 and the Program and Allocation Summary Sheets dated November 6, 2006 and December 13, 2006.

Amendment 07-05 was a minor change amendment that revised funding amounts for several projects for financial constraint purposes, advancing funds previously programmed in fiscal year 2007-08 to fiscal year 2006-07 to enable fund obligation this fiscal year. Amendment 07-05 also combined the BART Preventive Maintenance Project and the BART CAR Replacement Exchange Project to ease program management and made several other minor corrections to projects throughout the region.

Amendment 07-06 is a major amendment referred by the Planning Committee on May 11, 2007. The amendment demonstrated the TIP's compliance with SAFETEA and established the TIP as a 4-year document (FY 2006-07, FY2007-08, FY2008-09 and FY2009-10). It added over \$1.3 billion in CMIA funds, \$382 million STIP Augmentation funds (pending CTC approval), federal earmark funds as well as other local funds to existing and new projects throughout the region. Amendment 07-06 updated all the SHOPP lump sum project listings and the Highway Bridge Program listing based on latest information received from Caltrans. It also added \$405 million to the US 101 Doyle Drive replacement project in San Francisco.

TIP Amendment 07-07 is a minor change amendment that revised the Caltrans Highway Bridge Program Lump Sum project listing adding \$2 million to the Cordelia Bridge Project in Solano County to facilitate project delivery.

Amendment 07-08 referred by Programming & Allocations Committee on April 11, 2007 is the annual All Transit TIP Amendment. The amendment constrains the FY2006-07 FTA Section 5307 and 5309 Fixed Guideway program to the FY 2006-07 federal appropriations.

Amendment 07-09 is an administrative modification that revises project funding of two Caltrans Lump Sum project listings as well as several Lifeline projects. The amendment also makes minor scope modifications to a LAVTA project, a Port of Oakland project and a Santa Clara County Project.

Amendment 07-10 is a major amendment referred by the Programming & Allocations Committee on June 13, 2007. Amendment 07-10 updates the project listing and funding for 31 projects with a net funding change of \$94 million. The significant changes are as follow: Modifies \$54.4 million for five projects within three of the Caltrans State Highway and Operations Program (SHOPP) Lump Sum listings; adds \$16.2 million for seven projects in the Transportation for Livable Communities (TLC) Program; adds \$9.7 million for eight projects in the Regional Bicycle and Pedestrian Program; adds \$7.1 million to the Santa Clara Valley Transportation Authority's (VTA's) Zero Emission Bus (ZEB) Demonstration Project; adds \$2.7 million for seven new projects that are part of the Clean Air in Motion fund swap with the Bay Area Air Quality Management District, and adds the preliminary engineering phase for a Moveable Median Barrier Project on the Golden Gate Bridge for \$2.0 million in local funds.

Amendment 07-11 is an administrative modification that completes the Marin County Non-motorized Transportation Pilot Program Lump Sum project listing split to allow for better project management. The amendment also exchanges \$7.8m in RIP funds between projects in Alameda County, updates the Caltrans Highway Bridge Program Lump Sum project listings and makes several other minor scope and funding modifications to projects throughout the region.

Amendment 07-12 is an amendment presented to the Commission on July 25, 2007. The amendment adds \$24.9 million in new Public-Private Partnership Pilot Program (Penta-P) funds to the BART: Oakland Airport Connector Project.

Amendment 07-13 is an administrative modification that made several minor revisions to project descriptions, project funding and project delivery schedules for 21 projects throughout the region.

Amendment 07-14 is an amendment referred by the Programming & Allocations Committee on September 12, 2007. The amendment adds into the 2007 TIP, \$40.2 million to the Fifth Street Bridge retrofit project in Oakland, \$336million to three Caltrans Management lump sum project listings and makes other major revisions to project throughout the region. The revisions made with this amendment do not change the air quality conformity or conflict with the financial constraint requirements of the TIP.

RESOLUTION NO. 3755

WHEREAS, the Metropolitan Transportation Commission (MTC) is the regional transportation planning agency for the San Francisco Bay Area pursuant to Government Code Section 66500 et seq.; and

WHEREAS, MTC is the designated Metropolitan Planning Organization (MPO) for the nine-county San Francisco Bay Area region (the region); and

WHEREAS, federal regulations (23 CFR 450) require the region to carry out a continuing, cooperative and comprehensive transportation planning process as a condition to the receipt of federal assistance to develop and update at least every four years, a Transportation Improvement Program (TIP) consisting of a comprehensive listing of transportation projects that receive federal funds or that are subject to a federally required action, or that are regionally significant; and

WHEREAS, the TIP must be consistent with the Regional Transportation Plan (RTP) adopted pursuant to Government Code Section 66508, the State Implementation Plan (SIP) as required by the federal Clean Air Act (42 U.S.C. Section 7401 et seq.); and MTC Resolutions Nos. 2730 and 3075, which establish the current Air Quality Conformity Procedures for MTC's TIP and RTP; and

WHEREAS, federal regulations (23 CFR 450.324(e)) require that the TIP be financially constrained, by year, to reasonable estimates of available federal and state transportation funds; and 23 CFR 450.330(a) allows MTC to move projects between years in the first four years of the TIP without a TIP amendment, if procedures are adopted to ensure such shifts are consistent with the required year by year financial constraints; and MTC Resolution No. 3755 establishes such procedures; and

WHEREAS, MTC has found that the 2007 TIP, as set forth in this resolution, conforms to the applicable provisions of the State Implementation Plan for the San Francisco Bay Area, including the motor vehicle emissions budget contained in the 2001 Ozone Attainment Plan (MTC Resolution No. 3629); now, therefore be it

RESOLVED, that MTC has developed the 2007 TIP in cooperation with county Congestion Management Agencies, the Bay Area Air Quality Management District, transit operators, counties, the California Department of Transportation (Caltrans), and in consultation with the Federal Highway Administration (FHWA), Federal Transit Administration (FTA) and federal Environmental Protection Agency (EPA); and, be it further

RESOLVED, that the projects and programs included in the 2007 TIP, attached hereto as Attachment A to this resolution, and incorporated herein as though set forth at length, are consistent with the RTP; and, be it further

RESOLVED, that the 2007 TIP is financially constrained, by year, to reasonable estimates of available federal and state transportation funds; and, be it further

RESOLVED, that MTC, the State and transit operators within the region have developed and implemented an expedited project selection process for the federal TIP as required by Federal Regulations 23 Code of Federal Regulations (CFR) Part 450 and Title 23 United States Code (USC), and as outlined in Attachment A of MTC Resolution No. 3755, and MTC Resolution 3606 revised; and, be it further

RESOLVED, that amendments to the 2007 TIP as set forth in Attachment B to this resolution and incorporated herein as through set forth at length, shall be made in accordance with rules and procedures established in MTC Resolution No. 3755, and that the Executive Director has the signature authority to approve administrative actions and certain minor TIP amendments, and to forward all required TIP amendments once approved by MTC to the appropriate state and federal agencies for review and approval; and, be it further

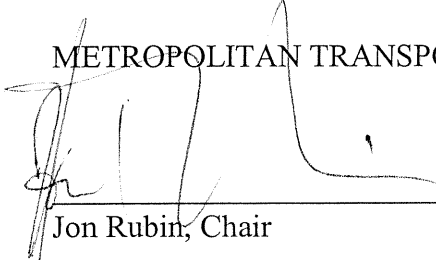

RESOLVED, that except as to those projects that are identified as administratively approved in Attachment A, the adoption of the TIP shall not constitute MTC's review or approval of those projects included in the TIP pursuant to Government Code Sections 66518 and 66520, or to federal regulations (49 CFR 17) regarding Intergovernmental Review of Federal Programs; and, be it further

RESOLVED, that MTC's review of projects contained in the TIP shall be accomplished in accordance with procedures and guidelines set forth in MTC Resolutions Nos. 2730 and 3075 Revised, and as otherwise adopted by MTC; and, be it further

RESOLVED, that MTC will support, where appropriate, efforts by project sponsors to obtain letters of no prejudice or full funding agreements from FTA for projects contained in the transit element of the TIP; and, be it further

RESOLVED, that the Executive Director shall forward a copy of this resolution to the Federal Highway Administration (FHWA), the Federal Transit Administration (FTA), the federal Environmental Protection Agency (EPA), the California Department of Transportation (Caltrans), the Association of Bay Area Governments (ABAG), and to such other agencies and local officials as may be appropriate.
